

10 reasons to come and work in Luxembourg

7

1

Multiculturality

Ease of integration through openness to multiculturalism already established (3rd European capital, 200 000 border workers...)

2

Strategic geographical location

At the crossroads of Europe between Germany, Belgium and France

3

Easily accessible

International airport; Luxembourg station with European high-speed trains; abundant motorway network

4

Human-sized capital

All the qualities of a great capital nearby

5

Attractive labour market

Decreasing unemployment rate (5.3%) despite the increasing active population; Brexit, which tends to bring large companies back to the Luxembourg market; development of the start-up network

6

Security

Crime rate decreasing; strong regulation for GDPR compliance

7

Financial attractiveness

Higher than average wage conditions in neighbouring countries; double social security for cross-border commuters; lower taxation for companies; rising GDP

8

Development opportunities

Headquarters of major structures (Arcelor, Ferrero, Deloitte, Amazon.com...)

9

Financial hyper-centre

130 banks; world leader in the fund sector (4,110 domiciled funds); major European financial institutions

10

Modern infrastructure

High ultra-high speed Internet coverage; development of public transportation (free of charge from March 2020)
